

Development of Food Parks in Madhya Pradesh

Request for Qualification (RFQ)

Opportunity Madhya Pradesh....

With 11 agro climate zones, 5 crop zones and 4 soil types, agriculture sector forms one-third of the GSDP of Madhya Pradesh(MP) state.

The state is a leading producer of cereals, pulses, fruits and vegetables and dairy products rendering an easy availability of raw materials for food processing industries.

State's ranking in national production			
Crop	Rank	Crop	Rank
Pulses	1	Grapes	1
Gram	1	Oilseeds	2
Soyabean	1	Peas	2

Source: National Horticulture Board

To leverage the state's potential in food processing industry, Madhya Pradesh State Agro Industries Development (MPSAIDC), a Government of Madhya Pradesh undertaking, is in the process of developing Food Parks with world class infrastructure and facilities at the three identified locations viz. Bhopal, Ratlam and Harda under public-private-partnership model.
